

BLUE VALLEY

MODERN CABINETS & CLOSETS

Blue Valley Cabinets was established in 2021 with a focus on traditional Shaker-style cabinets built for quality, value, and ease of installation. In 2025, we expanded into a new, larger warehouse and proudly launched our modern line of frameless cabinets—offering clean lines, sleek finishes, and contemporary style tailored for today’s design-forward spaces.

This catalog features our full lineup of in-stock cabinet styles along with our growing collection of modular closet systems—designed to add both function and elegance to any space. Whether you’re working on a single kitchen or a large-scale development, our products are crafted for durability, quick turnaround, and straightforward installation.

Though we serve customers nationwide, Blue Valley Cabinets remains a locally rooted business committed to personalized, responsive service. Our knowledgeable team is here to support you every step of the way, with expert guidance and dependable communication you can count on.

Thank you for choosing Blue Valley Cabinets—helping you build smarter, faster, and beautifully.

Reminder: Order End Panels for Exposed Cabinet Ends For any cabinets with exposed sides, you must order matching end panels to ensure a clean, finished look. This applies to base, wall, and tall cabinets in both kitchen and bath designs. End panels are not included by default and need to be added to your order separately.

Our modern closet line is built around a modular system designed for flexibility, simplicity, and style. Whether you're outfitting a primary suite or a compact reach-in, our components can be mixed, matched, and rearranged to fit your exact space and storage needs. Even better—our on-site designers use 3D-printed model pieces to help you visualize and configure your ideal setup in real time. It's a hands-on, hassle-free way to create a custom-feeling closet without the custom timeline or price.

BLUE VALLEY
MODERN CABINETS & CLOSETS

OUR BLUE VALLEY TEAM MAKES THE DIFFERENCE

From nationwide shipping to local pick-up, we've got you covered with a vast in-stock inventory of cabinets and accessories. Our delivery drivers carefully pack and unload every order to ensure it arrives in perfect condition, while our on-site customer service team provides a smooth and efficient pick-up experience. With a dedicated cabinet assembly team focused on precision and craftsmanship, the Blue Valley Team delivers excellence at every step.

HOW TO MEASURE YOUR KITCHEN

1. Sketch out the kitchen or space with wall to wall locations and dimensions.
2. Ceiling height including drop down ceiling or soffits.
3. Desired wall cabinet height of 30", 36", 42", or stacked cabinets.
4. Mark the general area of the appliances:
 - a. Fridge width and height
 - b. Range width (cooktop or slide in range)
 - c. Dishwasher
 - d. Sink width (Drop in, undermount, farmhouse sink, etc.)
 - e. Oven width and height (Need product specs)
 - f. Microwave sizes and location
5. Note center gas line, sink plumbing, and electrical outlets.
6. Location of the doors and windows from outside trim to outside trim measurements and any obstructions (i.e. radiators, etc.).
7. Cabinet color and desired moldings.
8. Pictures of the space (optional).

REMINDER Order End Panels for Exposed Cabinet Ends

For any cabinets with exposed sides, you must order matching end panels to ensure a clean, finished look. This applies to base, wall, and tall cabinets in both kitchen and bath designs. End panels are not included by default and need to be added to your order separately.

HOW TO MEASURE YOUR CLOSET

1. Sketch out the closet space with wall to wall locations and dimensions.
2. Ceiling height including drop down ceiling or soffits.
3. Mark the areas and measurements of windows or other features.
4. Note any electrical outlets.
5. Take pictures of the space (optional).

DESIGN APPOINTMENTS

EMAIL MEASUREMENTS:

- Initial drawing will be prepared before an in-person meeting or sent via email.

POLICIES:

- 3D drawings and elevations will not be released before payment.

FLOOR PLAN REQUIREMENTS:

- Include all necessary measurements, which can be hand-drawn if legible.

DESIGN PREFERENCES:

- List design preferences and inspiration images in email prior to initial design.

ATTENDANCE:

- Ensure decision-makers are present or available.
- Appointments are booked for 30-60 minute durations max.

CUSTOMER RESPONSIBILITIES:

- Ensure precise measurements prior to the design and thoroughly review quotes for accuracy prior to purchase to identify errors or miscommunications. Customer approval of the design and quote are prerequisites prior to the cabinet purchase.
- Once designs are finalized customers must sign off on the order form prior to orders being placed.

STEPS TO BOOK AN APPOINTMENT:

- Request for a Meeting:**
BVC responds within 24 hours, requesting measurements for the initial design which will be completed prior to an in-person appointment.
- Booking the Appointment:**
Appointment within 1-3 business days.
- Meeting at BVC:**
Appointment duration: 30-60 minutes post-initial design.
- Changes and Revised Drawing:**
Revised drawing provided within 1-2 business days.

CONTACT:

- Email: info2@bluevalleycabinets.com

DISCLAIMER:

- Timelines may change based on project size and workload, which will be agreed upon before project acceptance.

THIS LIMITED WARRANTY IS SUBJECT TO ALL LIMITATIONS, EXCLUSIONS, DISCLAIMERS, APPROVAL, AND PROCEDURES.

As a direct manufacturer, Blue Valley Cabinets "BVC" is confident in the cabinets we sell. We stand behind our products and offer a one-of-a-kind Limited Lifetime Warranty. FIRST year immediate claim processing. Two (2) years + will have a 6-12 week lead time for processing. Proof of Purchase AND a Warranty Claim Form must be presented to begin the warranty claim process. If you have a warranty claim, please contact Blue Valley Cabinets 919-897-5666 and fill out the Warranty Claim Form with a detailed description and pictures of the defects or damage you are experiencing with our products. Email the form, pictures, and details to warranty@bluevalleycabinets.com and upon receiving your email, we will let you know of our decision to repair or replace the defective product. DO NOT PROCEED TO THE NEXT STEP WITHOUT THE PRIOR WRITTEN CONSENT OF BLUE VALLEY CABINETS. BVC will be responsible for all shipping and handling fees if a valid claim is approved. Return of defective product, at the customer's expense, IS required for a replacement to be issued.

For a period of ONE YEAR from the original purchase date, BVC warrants to the original purchaser that cabinetry, door hinges, and drawer glides will be free from defects in material and workmanship under normal use and service. We will process these first-year claims as promptly as possible. This warranty is not transferable and only applicable to product used for single family owner occupied residential purposes. This warranty does not cover normal wear and tear, damage or defects caused by accidents, misused, or abused items, mishandled or improperly installed items, improperly stored items, customized or modified items, or items that are subject to extreme temperature or moisture level.

Upon entering the SECOND year, this warranty is extended to a Lifetime Warranty and all warranty claims processes will remain in effect. Proof of Purchase required. Please allow a 6-12-week lead time for processing these claims. These processing times for BVC warrants to the original purchaser that cabinetry, door hinges, and drawer glides will be free from defects in material and workmanship under normal use and service. Covers all products that are still available in our inventory and/or not discontinued

Natural woods may vary in color and grain pattern. Just as no two trees are alike, no two pieces of wood are alike. The variation in color and grain pattern in the wood adds to its natural beauty and is not considered an imperfection. Environmental factors, including but not limited to artificial / natural light, moisture, cleaners, smoke, etc. may cause the darkening or mellowing of the cabinet over time. This is a natural process and can be expected. This warranty does not cover the natural aging or darkening / mellowing of wood color, the inherent growth characteristics of, or variation in wood.

Wood is wood, expansion and contraction still happens year after year as it compensates and adjusts to ever changing atmospheric humidity and temperature conditions. Therefore, warping of less than 1/4" is not considered a defect. The purchaser agrees to let doors that are warped 1/4" or more to hang for two seasons before replacement is requested. Typically, a door will return to its normal flat position once it is acclimated to

temperature, and humidity conditions. Prior to requesting a replacement for a warped door, please be sure the door has been installed properly and hinges are adjusted correctly.

Stain variations: since no two trees are the same, wood is a unique material with natural variations in grain, texture, and color. These variations may also cause considerable differences between old samples and new cabinets. Please Note: Newly produced cabinets will never be the same color as aged samples or cabinets. Color changes may occur in the finished wood products. As a result of exposure to light and other elements which are part of the aging process. These material variations and changes are not covered by this warranty.

Some of the cabinet lines feature a glazed finish which accentuates the door and drawer front profiles. This glaze is hand applied over a stain or paint and may, due to the nature of application, consist of random drips, runs, etc. As glazing is a hand applied process there will be variations in color and appearance from door to door and cabinet to cabinet. This is not considered a defect and is considered normal with hand applied finishes. Cabinet lines with painted surfaces may show fractures in the paint at the joints. This is normal and is not considered a defect.

At our discretion, we may elect to repair or replace a cabinet with a functionally equivalent product covered by this warranty. Some replacement parts are subject to stock availability and may differ from original parts received. Return of defective product IS required for a replacement to be issued. Repair parts or replacement parts are at the expense of Blue Valley Cabinets. This warranty does not include or cover the cost of installation, adjustments, removal, subsequent damage, or transportation of the defective product. This is regardless of whether work was performed by a contractor, service company, or yourself. To obtain service under this warranty, please contact the business from whom you purchased this product. A copy of the original purchaser's dated receipt must be submitted with all claims to preserve rights under this warranty.

This warranty is non-transferable. Blue Valley Cabinets reserves the right to inspect the claimed defective cabinets. No returns, replacements or repairs may be made without prior written consent.

This warranty is the sole warranty of Blue Valley Cabinets. No dealer, distributor or agent possesses any authority whatsoever to modify or enlarge the above warranty in any way.
